

Victors Homeschool Sports 2017-2018 Basketball Season Volunteer Form

Please submit with Player Registration Form

The Victors organization is run completely by volunteering homeschooling families like yours, so WE NEED YOU! In order for your child to participate, volunteering is required since we cannot make the season happen without it! Please prayerfully consider how you can best help us continue to make Victors possible. **Please indicate your 1st, 2nd, 3rd choices, etc.**, in case we have too many volunteers for one area. Our volunteer coordinator will contact you with the dates/duties assigned to you.
