

Victors Homeschool Sports Basketball Season Parent Participation Form

Please submit with Player Registration Form

The Victors organization is run completely by homeschooling families like yours, so WE NEED YOU! In order for your child to participate, **parent participation is required** since we cannot make the season happen without it! Please prayerfully consider how you can best help us continue to make Victors possible. **Please indicate your 1st, 2nd, 3rd choices, etc.**, in case we have too many requests for one area. Our volunteer coordinator will contact you with the dates/duties assigned to you.
